Important Dates.

Monday 18th May- Year 4 Swimming

Thursday 21st May- Last Day of Term 5

Friday 22nd May- INSET Day

Monday 1st June- Year 4 Swimming

Congratulations!

Sending a very BIG congratulations to ALL Year 6 children for completing all year 6 SATS exams this week. You have all worked extremely hard given the pressure you have all been under this last couple of weeks. Thank you for always being patient and proving you can push yourselves to the best of your abilities.

Enjoy a well-deserved week of rest!

A big thank you to parents for ensuring your children attended school on time and every day, without your support this wouldn't be such an easy schedule for them.

Year 6 Ice Cream treat!

As the year 6 SATS have come to an end, we thought it was only fair that after all the hard work, dedication and early mornings that they received a lovely treat from SAV'S Super whippy Ice Cream! Sav arrived on our school field this afternoon to give all Year 6 children a treat for working so hard! As you can tell by the children's faces... They certainly enjoyed it! Well done Year 6!

School Uniform.

We would like to remind all families that appropriate uniform is a requirement at Cheddar Grove Primary. We encourage all children to wear the correct uniform, as it gives a sense of pride for their school community.
Below is a reminder of the uniform we kindly ask all children to wear:

. School logo polo shirt or plain bottle green/white
. Plain BLACK skirt, shorts or school trousers (NO leggings)
. School logo jumper/cardigan or bottle green jumper/cardigan
. BLACK school shoes/trainers.
Branded items are strictly NOT allowed to be worn at school.

Jewellery/watches:
Jewellery such as bracelets, bangles and hooped earrings are strictly ***not allowed*** to be worn at school.
We have had a high increase in children wearing jewellery to school, and would like to remind parents that it is your responsibility to ensure jewellery is left at home. Stud earrings are an acceptable form of jewellery.
Your children can wear a watch to school, but please be reminded that no smartphone watches, any watch that can play games or use interaction are also ***NOT*** allowed. A step tracker watch is fine to wear.

Please can we remind you that P.E kits are still a part of our school uniform policy and that all children are asked to wear the correct kit for the correct weather conditions, and indoor/outdoor lessons must also be taken into consideration.

Children MUST wear the following items for P,.E:

- Plain **white** top/T-shirt/polo shirt
- Plain **BLACK** shorts/leggings/jogging or tracksuit bottoms
- School jumper, cardigan or **PLAIN BLACK** hooded fleece/jumper
- **BLACK** trousers

Children need to come to school wearing their P.E kits, **on their relevant PE days**.

Indoor Gymnastics:

As part of our national curriculum for P.E our teachers have been and will be continuing to teach Indoor Gymnastic lessons. Please can all parents remind your children that this activity is to only be carried out with ***Bare Feet.*** This is a health and safety precaution and with the safety of our children in mind.

AIR-HOP SOCKS: Air-hop socks can be the ***ONLY*** option other than ***Bare Feet.*** However, this **MUST** be agreed with a member of staff and have a ***specific and valid*** reason to be wearing them. This will need to be agreed **PRIOR** to the Gymnastics Lessons.

Year 4 Design Technology.

As part of Year 4's design technology this term, the children have been learning about food technology, designing packaging, looking at the ingredients, recipes and costs for the chosen food. The food Year 4 chose to make were scones. The children, along with helpers made scones from scratch, weighing out ingredients, rolling, shaping and cutting the scones and finally baking them. In the afternoon, they also were able to taste test these scones! Yum Yum Year 4 they looked great!

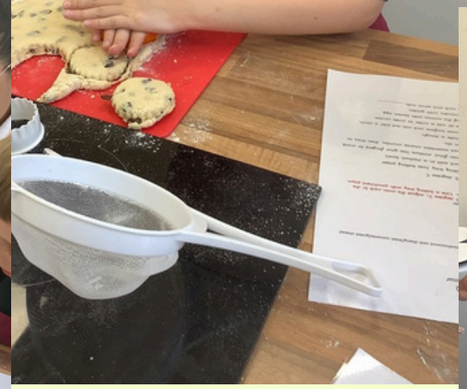

Pond Dipping!

Our Reception classes this week have been pond dipping from our very own pond here at school! Each child was given the opportunity to explore different things that we may find in our pond. They were taken to the pond area where we had trays of water from the pond lined up for them to explore, to see if they could find any living things in there... They have managed to find Dragonfly nymphs and young newts! Fantastic spotting reception, well done!
