Special Diets/Allergy Form

Aspens are committed to providing meals for children with special diets for medical and cultural requirements.

It is essential that all parties concerned work together when providing a safe, special diet and that this is reviewed with every menu change. Therefore, please ensure this form is fully completed.
If the parents and Head teacher are happy, we will also display a 'Food Allergy Record Sheet' and a photo of the child on the kitchen wall near the server.

It is vital that all forms are accompanied with a referral letter from a medical professional (GP/consultant/dietician). It is important the Operations Manager & Unit manager have met the student's parents/guardian and students requiring the special diet to ensure they give the right meal to the right child. This form should be handed into the school and discussed with them in the first instance.
