- Noticeboard

Bake Sale Reminder

A reminder to pop to the Link straight after school for FOYM's Easter Bake Sale.

Red Nose Day – Thank You!

A huge thank you to everyone who supported Red Nose Day this year. We are delighted to share that, thanks to your generosity, we raised an amazing £429.42 for this fantastic cause.

Our Kindness Ambassadors did a brilliant job overseeing and judging the *Design Your Own Red Nose* competition — there were so many wonderfully creative entries, with plenty that brought a smile and a chuckle (exactly the spirit of Red Nose Day!).

End of Term and Easter Wishes

As we come to the end of term, we would like to wish all our families a lovely spring break and, to those in our school community who will be celebrating, a happy Easter. Thank you for your continued support throughout the term. We look forward to welcoming the children back after the break, refreshed and ready for the summer term ahead.

Parking and Safely Around School

We have been contacted by Avon & Somerset Police regarding safe parking near school. Please can all families take extra care when dropping off and collecting children. Unsafe or inconsiderate parking puts children, parents and other road users at risk.

The police have asked us to share the following reminder:

You should report a vehicle to the police if it is causing an obstruction or hazard, including:

- Parking on zig-zag lines or pedestrian crossings
- Parking opposite or within 10 metres of a junction
- Parking over a dropped kerb
- Blocking pavements and forcing pedestrians into the road
- Preventing you from accessing your driveway
- Preventing emergency vehicles from getting through

If you witness any of these issues, you can report them to Avon & Somerset Police using the link below:

Report parking issues:

https://www.avonandsomerset.police.uk/report/parking-issues/

Thank you for helping us keep the area around school safe for everyone.

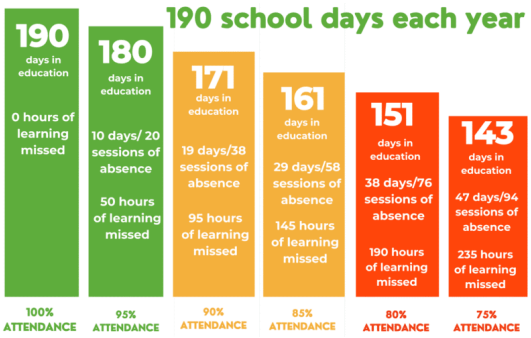
Attendance Update

Thank you to all families who took the time to read the attendance letter sent home last week. As we shared, good attendance is essential for children's progress and wellbeing and every day in school makes a real difference.

We will continue to contact families where attendance has fallen below expected levels and we have now introduced a new step in our Attendance Improvement Strategy: the **Notice to Improve**, which gives families a clear six-week period for attendance to show improvement. This step is designed to support families and ensure that children do not miss learning unnecessarily.

If you have any questions about your child's attendance or feel that you may need support, please do contact us - we are here to help.

Thank you once again for working with us to help all our children thrive.



Year 1 Playground Update – New Climbing Frame Coming Soon!

Following our earlier update, we are pleased to share that plans for the new Year 1 outdoor area are progressing well. We are hoping the installation will take place during the summer term so that the children can enjoy the new equipment before the summer holidays.

Our wonderful Friends of Yeo Moor continue to work hard to raise funds to make sure the playground becomes a fantastic outdoor space for our Year 1 children. If you would like to support this project, please scroll down to the Noticeboard section of this newsletter and scan the QR code to donate.

Thank you, as always, for your generous support. It makes a real difference to our school community.

Smartphone Workshops

We will be holding two smartphone workshops for parents and carers of children in Years 3 to 6. These sessions will offer practical guidance on keeping children safe, setting boundaries and helping them navigate the digital world with confidence. They are suitable for everyone — whether you are thinking about giving your child a smartphone, have already done so or are interested in exploring safer alternatives.

The workshops will focus on strategies for online safety, healthy digital habits and responsible smartphone use.

Workshop dates:

- **Friday 1st May, 9:00am** (straight after drop-off) – *KS2 Hall*
- **Thursday 7th May, 5:00pm** – *KS2 Hall*

Please enter via the KS2 Hall doors near the staff car park.

There is no need to book — simply come along to the session that suits you.

We hope these workshops will offer helpful guidance and reassurance as we work together to support children growing up in the smartphone age.

News from Reception

Our Reception classes were lucky enough to have a visit from our PCSOs, Caroline and Zoe, as well as from Matilda's Dad who works for the police. They brought their police car and van in and talked to us about their uniform and job and how they help people. The children loved trying on the police hats and sitting inside the police van and pressing the button which made the lights flash.

Reception were shocked this term to discover an ENORMOUS Turnip growing in their garden! They decided the turnip needed to come out so the grownups tried but it would not budge. They called the children to help and they pulled and pulled and finally it popped out of the tub. They had great fun retelling the story, exploring lots of other vegetables growing in the tubs, cutting and chopping and creating detailed observational drawings.

Visit from Little City for Early Years

Tadpoles, Minnows, Hedgehogs and Squirrels enjoyed a visit from Little City this term - a role play experience which fit perfectly with Reception's learning around their term's topic 'Who helps us?'

The children enjoy enjoyed acting as delivery drivers, café owners, mechanics, firefighters, vets and so much more.

They not only had a fantastic time but were wonderful ambassadors for Yeo Moor, showing kindness, respect and creativity in the time they spent in the 'city'.

Visit from the RNLI

On Monday, we enjoyed welcoming Geoff from the RNLI, who led a workshop with Reception and delivered an assembly to the rest of the school about staying safe while enjoying the water. He shared important messages about making sensible choices near the coast and open water, along with practical tips to help us keep ourselves and others safe. It was a really informative session that we all thoroughly enjoyed. A huge thank you to Geoff for visiting Yeo Moor.

Diary Dates

Term 4	
April	
Thursday 2nd April	Year 3 trip to Bristol Museum FOYM Bake Sale Last day of term
Monday 20th April	Start of Term 5
Wednesday 22nd April	Eco Summit Day Year 6 transition visit to Clevedon School
Thursday 23rd April	Kooth session for Year 6
Friday 1st May	Smartphone workshop for parents/carers – 9am (KS2 Hall)

Inset: Monday 9 March 2026

Term 5: Monday 20 April 2026 - Friday 22 May 2026

Term 6: Monday 1 June 2026 - Friday 17 July 2026
Inset: Monday 29 June 2026; Monday 20 and Tuesday 21 July 2026

Celebration Corner

Yeo Moor Learning Powers

We enjoyed celebrating the following children in our recent Celebration Assemblies:

Reception: Albie, Teodora, Aidan and Thea

Year 1: Stanley, Alice, Ellie, George and Ethan

Year 2: Griffin, Grace, Olivia and Theo

Year 3: Luca, Louis, Tommi and Kieran

Year 4: Barrie, Harper, David and Daisy

Year 5: Layla, Jesse, Holly and Andrii

Year 6: Olly, Rahat, Yusuf and Luna

Gold Awards

Congratulations to the following children who have all recently received gold awards. If your child's name doesn't appear below, it will be included in the next edition.

Minnows: Izzy and Zachary

Moorhens: Tommy

Wagtails: Tawheed

Otters: Eli

Woodpeckers: Tahirah

Homework Trophy

Thank you for continuing to encourage and support your children with completing their homework each week. This makes a real difference to their confidence and progress. A big well done to Ducks and Otters, who both recently won the homework trophy this with a fantastic class percentage of 96% (Otters) and 100% (Ducks)! Let's keep up the great effort across all classes.

House Points

Congratulations to **Hazel House**, who earned the most house points last week! We'll be awarding the **House Cup** in tomorrow's assembly — which house will come out on top for the whole term?

Zero Heroes

A huge well done to **Hazel House**, our Zero Heroes for the past two weeks! They've produced the lowest amount of food waste in the school. We're also delighted to share that we've reduced our overall food waste by **9kg** in the last fortnight - a fantastic achievement.

Celebrating Amber and Daisy's Fantastic Dance Success

We are incredibly proud of Amber and Daisy who have had an amazing few weeks of dance achievements.

Recently, Amber and Daisy competed in Bristol with their dance team from Tillies. Their team achieved 1st and 2nd place in the two categories they entered — an outstanding result! They have also qualified for the Electric Dance British Open Championships in Birmingham this November. A huge well done to them both! Amber and Daisy also recently passed their Tillies achievement awards. As if that wasn't enough, the girls performed again on Saturday at the Bristol Bears Rugby 'Big Day Out' event at the Principality Stadium in Cardiff. With 45,000 people in attendance, they danced alongside their team and other dance schools. Performing in front of such a huge crowd takes incredible confidence and bravery. A massive congratulations to Amber and Daisy on all of their achievements.

Celebration Corner Continued

Celebrating Seb's Fantastic Martial Arts Achievement

A huge well done to Seb in Year 2 who has been working incredibly hard in his martial arts. Seb recently completed his final Little Dragons grading, achieving an impressive 47/50 as he earned his Brown Belt before moving up to his kickboxing belt level. This is a brilliant score and reflects his dedication and focus. Seb also received a special medal for his outstanding effort — both in his grading and in his regular kickboxing classes. Well done, Seb — keep up the fantastic work!

CLEVEDON LIBRARY NEWSLETTER

April 2026

The Green Read

Saturday 25 April 11.00am-12.30pm
The Green Read

Come and join us for The Green Read – a chance for children and adults to enjoy, and perhaps read aloud, a range of supplied poems and short prose extracts. In line with this year's Green Shift Festival, the theme is the wonders of our natural world. This is a fun FREE event, open to all.

Spring Trail

Celebrate Spring with a trail around the library! Come and see if you can find all our spring pictures. Each picture hides a letter which together spell out a mystery word.

Easter Opening

- Good Friday (3 April): **CLOSED**
- Saturday 4 April: **9.30am - 1pm**
- Easter Monday (6 April): **CLOSED**

Easter Holidays

- **7th & 14th April 2-4 pm** Easter Coloring
- **13th April 2-4pm** Lego Club
- **17th April 12-2pm** Bumble Bee Information Drop In
- **20th April** Library dog sessions - please contact us to reserve your space as booking is essential
- **21st April 11:15am** Storytime Special - Little Frogs

Book of the Month

The Diamond Brothers Series
Anthony Horowitz

Join the world's worst detectives in this series of funny, adventurous books. Aimed at older primary readers, follow the Diamond Brothers as they try (and possibly fail!) to solve crimes as private detectives.

What's On

- **Mondays:** Lego Club 3:15pm - 4:30pm
- **Tuesdays:** Storytime 11:15am - 11:45am
  Colouring: 3:15pm - 4:30pm
- **Fridays:** Rhymetime 9:45am - 10:15am
