It was so lovely to see all the learners dressed up as their favourite characters.

Why do schools celebrate World Book Day?
World Book Day is a special day when schools celebrate reading and books. It helps children see that reading is not just schoolwork—it can also be fun, exciting, and full of imagination.

Here are some simple reasons why it's important:

1. Books help our imagination grow
2. Reading helps us learn new things
3. It makes reading fun
4. Everyone can enjoy books
5. Stories bring people together

World Book Day helps children discover that books are fun, help us learn, and open the door to amazing adventures.
