Spelling activities:

Choose at least 6 spelling words from the Year 1/2 or Year 3/4 word mats each day to practise. You can choose how you would like to practise your spellings. See below for some ideas. If you prefer to practise your spellings in a different way, that's ok too! Let me know how you like to practise and perhaps we can try it in class too when you're back!

Rainbow Words
Write your words out in pencil. Next, draw around each letter 5 more times using a different coloured pencil.

Join the Dots
Write each of your words using dots. Then, join the dots with a coloured pencil to make your word.

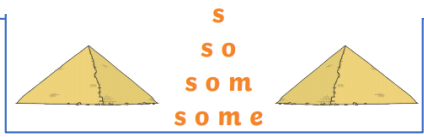

Across and Down
Write your words across and down, sharing the same first letter.

ABC Order
Write your words out in alphabetical order.

Tell a Story
Use all of your spelling words in a short story that makes sense! Underline your words with a ruler.

Pyramid Writing
Write each of your words like a pyramid:

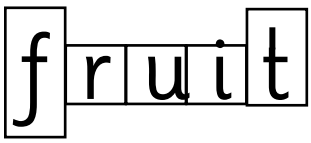

Air Writing
Write your words in the air with your finger. Ask someone to read your words as you write. Or, ask someone to air write the letters you tell them to spell your word.

Silly Sentences
Create one silly sentence using each of your spelling words in it!

Spelling blocks
Draw boxes around each letter of the spelling word. Can you create a letter block for someone else to work out?
E.g.

Chalk
Use chalk to spell out your words.

Muddle Puddles
Use a paintbrush and a cup of water. Spell out your spelling words using the water on the ground outside. Can you muddle up the letters and respell the word?
