Chilton Chat

Latest news from around the school

Issue #23

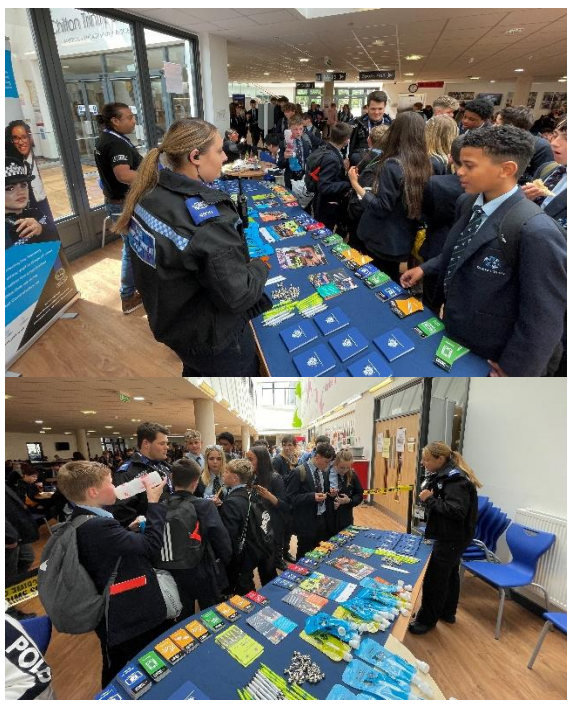
Mr Davies

Police Pop Up

Career's Pathways

Members of the Avon and Somerset Constabulary, led by Kemal Singh, MBE, General Security of the force's REACH (Race Equality and Cultural Heritage Police Association), visited Chilton Trinity School on the 16th May to meet and engage with students of all ages. The purpose of the visit was to raise awareness of the work of Avon and Somerset Police; to discuss preventable crimes and what young people can do to protect themselves; and to highlight potential career pathways within the emergency service. Students chatted with their visitors and members of Bridgwater's own PCSO service, asking questions about their roles, learning vital information that could keep them safe within their community and were rewarded with pens, pencils, water bottles and note pads.

The Avon and Somerset Police will be returning to Chilton Trinity in Term 6 to deliver Career Workshops and provide Year 10 students, with the opportunity to visit their HQ and Black Rock firing range in North Somerset.



Mr Davies

Chilton Trinity Visit to Hinkley Point C

Careers Pathways

Students from Year 9 were given the opportunity to visit Hinkley Point's Cannington Visitors' Centre and to tour the HPC site on 12th and 19th May.

Students first visited the Visitors' Centre where they tried out a series of interactive displays and cinema experience to raise awareness of the scientific technology and engineering involved in the nuclear power industry and the history of the three plants at Hinkley Point.

They were then driven on a coach tour of HPC, which is currently Europe's biggest construction site, including the world's biggest crane – Big Carl and the development of two nuclear reactors.

Students left the site with a far greater understanding of the huge project on their doorstep, the potential impact of the nuclear power station in meeting the national demand for energy and the 1000's of job roles which are currently available, during the construction phase, and which will be available during the future operational phase of HPC.

Mars Bar Question

Chance to win a Mars Bar

Ms Foster

To be in with a chance to win, pop your name, tutor group and answer in a library return box by 30th June.

Where in Austria did the Ski Trip go?

Eurovision Contest

Congratulations

Miss Roberts

May can only mean one thing for the MFL team... Eurovision!!
For Eurovision 2022 the MFL department held a competition to see if anyone could guess the winning country. We had over 30 entries and 6 correctly guessed that Ukraine would top the leader boards. Well done to our prize winners!

Competition Winners

Wordsearch & Question

Ms Foster

Last editions Exam Wordsearch winner was Macey-Beau G Year 7.

Mars Bar Question the answer to What is Venus houses attendance percentage since September was 89.44% and was won by Isla B Year 10.

The Adventure Begins

Our Journey and Day 1

It was long in the preparation; particularly due to COVID but on Thursday 7th April at 2:35pm we departed for Obertuaern, Austria.

We had a relatively stress-free UK leg of the journey with the usual queuing the closer we got to the euro-tunnel crossing. Our only snag was that our drivers accidentally drove past the building we should have had our passports checked. This resulted in the coach being escorted off the train and back to the passport checking area, then off to mainland France.

Our cultural journey across France and Germany went off without a hitch, our students did themselves proud, attempting the local dialects when ordering their service station breakfast and navigating the complications of the various types of toilets.

As we rounded Munich, the snow-capped Alps became visible in the far distance.

Ascending into the mountains took almost two hours, with spectacular new snow, ice covered waterfalls, and steep cliffs that would dwarf Cheddar gorge ten times over.

We arrived in the resort twenty-five hours after setting off from school.

Heavy overnight snow falls on the Friday night/Saturday morning saw postcard perfect scenery out of our floor to ceiling apartment windows (Mr Webb's, Mr Suik's and the boys' rooms). Off the coach and ready to go the students were raring to start their first day of skiing.

At our base camp, we were introduced to our instructors. Mareks, Peter, Philip, and our lead instructor Ivan. They were straight at it, checking boots, and getting the students doing all sorts of ski related tasks.

This was all done in blizzard conditions where the light fluffy snow was perfect to throw a snowball or five at Mrs Walker and then blame it on the students.

Lunch time turned out to be a real bonus when the students realised, they could order chips to go with their sandwiches.

This added to their enthusiasm to brave the -14oc conditions. At the end of day one the students had showed real progress and were beginning to get to grips with staying on the skis.

Our first of many awards were presented after our evening meal with a special mention to Lloyd Poole for his incredible effort (full listings of all awards can be found within the report.

Mr Webb

Coaching, Chips and Fashion Tips

Day 2

After a much needed night's sleep the children were giddy to get back out on the slopes.

There were a number of them who fit the bill but in particular Jaymi H, Morgann C, and most annoyingly Yannis who could not contain themselves.

Our students made the most visible progress on the morning of day 2, under the observation of the instructors and us staff parroting their coaching points. We could see and hear the moments when a particular skill clicked for a child, combined with their happy shouts of success.

After a lunch which mainly consisted of chips, chips, and chips for some students, the snow began to lift.

This finally unmasked the scale of the resort, the views in the valley were simply breath taking (wait till they get to the top of one of the mountains later in the week).

With a renewed buzz the students doubled down their efforts and were making real improvements.

The evenings awards were numerous as a result, Liv Court (Enduro Skier), Jalan Scone (Snow Angel), and for a dapper matching ski outfit that was never out of place Maddie D-W (Best Dressed Skier).

Our Skier of the Day went to Natalia Smith for challenging herself and making massive improvements.

Issue #23

Mr Webb

Perfect Day, perfect snow, perfect rooms?

Day 3

Day three saw perfect ski conditions, perfect snow, blazing blue skies and sun all day. Our students were split into their final four groups and were making their way deeper into the resort. The magic carpet (a travelator for skiers) was very helpful for our students to get to the top of the training slope.

However, students dancing while wearing skis did end up in a few multi-skier pile ups, much to the amusement of everyone else.

One side effect of fantastic sunny ski conditions in easter is the sunburn. Despite many warnings and the abundance of 'factor 50', some suffered the effects.

It was safe to say that Rudolf would have had a run for his money in a red nose competition. Sadly, we did receive our first casualty of war on the mountain. Holly Daly had a 'need for speed' and after taking a tumble on a relatively flat slope, she got a ride on a really fast skidoo to the doctors. All is well now.

Evening presentations were now becoming an oiled machine of excellence, my minions Rei Rei Trip, Maddie D-W and Kira Ellis performed their duties well, with only moderate criticism from myself. Morgann C received the 'Snow Angel Award' for helping many of her group that 'stacked it' in style.

Connor Clark was presented Enduro Skier for quote 'being a legend'. Skier of the day went to Hope 'Well-ard Hellard for her improvements in staying on her skis.

Monday evening saw the announcement of the highly competitive tidiest room competition.

Traditionally, an event with unattainable levels of scrutiny from the adjudicators (staff). In previous years we have seen immaculate standards of attention to detail with shoes colour coded and swans made of towels.

There were some outstanding examples of cleanliness from 'most' of the rooms, however this year saw high levels of bribery (always welcome), calming music and room freshener. For the first time in the history of the tidiest room challenge, we had a boys room to take the coveted prise. Well done to the gentlemen of Penthouse suite 4, Jalan, Archie, Harvey, and Josh.

Mr Webb

Snowmen and Singers

Day 4

On Tuesday the sun continued to shine, this encouraged the 'flappers' on to the slopes. Many of our students who were still not getting to grips with the varying temperatures on the mountain side saw them hurtling down the ski slopes with their ski jackets wide open for added ventilation but costing dramatically in aerodynamics.

Tuesday was also the day where our skiers enjoyed full alpine skiing. Lunching high up in the mountains and being treated to hot chocolates at one of the restaurants at 2300m; they were literally on top of the world.

Our first ice dancer award was presented in the evening. With grace and style James 'Tatey' Tate skied backwards, sideways and in 360's down the mountain. If given the opportunity he'd ski doing a hand stand.

Enduro skier went to Jasmine Coles and our second of the Best Dressed Skier Awards went to Mathilda Rasmussen for her stylish colour tones.

Skier of the Day was presented to a well deserving Josh Carp for quote, 'having skiing in his blood' and probably the best ski trousers in existence.

It's not a ski holiday without a snowman and for once fresh snow was in abundance. Firstly, our runners up prise went to Imogen Legg and Connor Clark but the top snowman prise; as voted by social media 'Likes', went to Anya Ellis, Morgann C, and Denisa Ciausu.

Some may wonder what to do on an evening in Austria, have no fear Karaoke to the rescue.

Our fantastic hotel was full of surprises which sadly I don't have time to mention, but a fully stacked DJ booth and lighting system only needed willing singers.

We had that in spades. Kicking it off with an ABBA medley was DJ Daly and crew.

Jalan Scone treated us to not one but five rock ballads including My Chemical Romance, Welcome to the black parade.

Everyone got involved with Smash Mouth, All Star (the Shrek Song).

However, the night was stolen when 'Just Dance' found it's way on to the projector and sound system. Yannis 'Bruno Marz' Ba took control of the mic and his many many backing dancers let by Jaymi Henderson. Videos with be available for all heads of house if they need an assembly.

Mr Webb

Onesie Wednesday

Day 5

Day five saw the arrival onzie Wednesday, a Chilton tradition that has strengthened over the years.

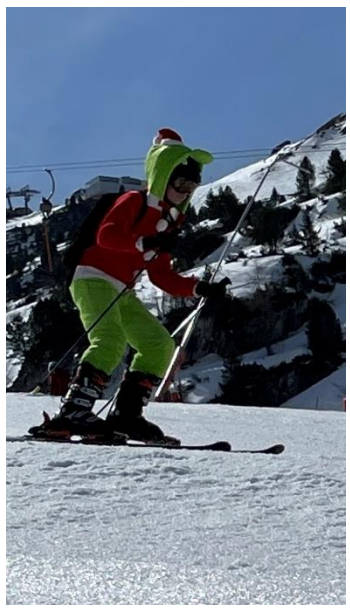
This year we had enough animals to open a zoo and popular film and TV characters to rival Hollywood. Needless to say, seeing Micky Mouse (Mr Suik), the Grinch, Spidey and a dragon hurtling down the slopes was the highlight of my week (apart from throwing snowballs at Mr Suik while he was trapped on a ski lift).

As our skiers started to refine their skills, it gave our instructors a chance to test them on the slalom run. A course with 26 turning gate to test their speed and skill. Chilton Trinity's fastest skier award went to one of our dragon onzies, Maddie Dryland-Ward. Congratulations.

During our pizza evening, the award presentations took centre stage again. Enduro Skier went to Scarlett Cordioli for getting up more times than she fell over.

Not one but two Ice Dancer Awards went to Yannis Ba and Jaymi 'Happy feet' Henderson.

Skier of the Day went to Chloe Maidment for nailing it on the slope and our first Ski Trip Legend Award went to Rosie Jones for many things but for ultimately becoming a true alpine skier.



Mr Webb

The End

The Final Day

Our final day on the slopes was bitter sweet, the students and staff had developed such as sense of achievement over the course of the week from being pure novices to highly competent skiers. At this point in the week they were able to relax and let the skis do the work giving them the energy they needed from dawn to dusk.

A clear highlight of the week was group one's instructor Ivan teaching the students the moves and lyrics to the Macarena song while skiing down the slope. The learning was reciprocal, Yannis's took great pleasure in teaching instructor Ivan the 'WAP dance'. He was left speechless by Yannis's skills.

Other non-ski related moments included Ivan's sneaking us into a very posh restaurant at the top of one of the highest peaks to have our packed lunch. Jaymi ever proved her classiness by completely wiping out in front of all the seated patrons. I later found out that this was a regular occurrence, falling over many times in service station toilets across most of Germany and France.

Memories like these will be everlasting in our students minds and will be reflected on with fondness by all for ever.

The last day is always the busiest and this trip was no exception. Our final awards presentation sadly had to wait until we were less than thirty miles from home in a service station. Everyone had come to expect the awards ceremonies at the end of every day and our last was a special one.

So, for the final time our last Best Dressed Skier Award goes to Mrs Walker for 'all the gear and no idea'. Three very well earned Skier of the Week Awards went to Natalia Smith, Tate Mounstevens, and James Tate. Finally, three Ski Trip Legend Awards were presented to Miss Downer for her unique ability to rally the troops and 'get out of the hut'. Also bellowing timeless quotes like 'beautiful turn' across the mountain side that would make yodellers proud.

Our last Ski Trip Legends 2023 go to Micah Duddridge for going full circle when it comes to skiing. Being in awe of the mountain and the snow, then to wanting to throw his skis off the mountain side and walk back to the UK and finally persevere, crack the technique and be in awe of skiing again. Next to Rosie Jones, being the positive soul on the slope, helping others being the perfect student. However, I do feel the real reason she was nominated was for completely taking me out at the top of not one but two ski lifts leaving me with bruising.

Thank you to the staff, students, parents and carers that have supported this trip for the eighteen months leading up to it. Without your enthusiasm and support it would not have been possible.

Regards Miss Downer, Miss Lloyd, Mr Suik, Mrs Walker, and Mr Webb.

Students Rise to the Challenge

UKMT Junior Maths Challenge

Mr Webb

In term 5 a new batch of budding mathematicians threw down the gauntlet and took on the UKMT Junior Maths Challenge. Our students competed online with 300,000 others across the country to try and gain a gold, silver or bronze certificate within this year's competition.

This year as an extra twist, each year 8 class they were pitted against the other half of the year group (T Half verses C Half. Just days after returning from the easter break our two top set classes completed the online challenge of 25 increasingly difficult quiz challenges. All met the challenge head on and did the school proud with some receiving bronze, silver and gold awards.

The highly anticipated clash of the classes was the mean score for all participants from each class, so each score counted, high or low. Congratulations 8TMa1 with a fantastic mean average of 51 point to 8CMa1 mean average of 43 points.

The highest result in the school and the Gold awards went to Jamie Bell with 92 points!

Congratulations to the following students who contributed to our highest medal tally to date.

With Gold Teddy Shillito 86, James Sherriff 85 & James Tait 85.

With Silver Lilly James 76, Sophie Crocker 73, Matthew Mckenna 73 & Kerim Yilmaz 73.

With Bronze Harvey Bowle 65, Yannis Ba 64, Faith Shortland 63, Jolanta Zak 63, Diego Nunez del Prado Ochoa 62, Natalia Nowosad 58, Alyssa Otley 58, Alivia Henderson 57, Mathilde Rasmussen 57, Ellie Sanders 57, Faith Willis 54, Charley Morgan 53 & Xaan Stockham 52.

Narrowly missing out of a medal positions were Lillie Hill, George Edwards, Connor Pocock, Imogen Eade, Samuel Webb Angel-Mae Wall, Lauren Lewington, Cherie Wells, Eleanor Rawlinson, Nicola Vahere, Isabel Roberts, Charlie-may Matthews, Liam Parker, Ruby Mantle, Samantha Wilson, Harvey Baigent, Ruby Gibbard, Olivia Wood, Liam Allen, Freya Burge, Laney Gribble, Anya Ellis, Tatiana Karkani, Lana Robinson, Hannah Stone, Emily Hil,l Oscar Collis, Howard Kazickas, Lizzy Bearman, Finley Gilbert, April Stockham, Lillia Warne, Benson Henry-S, Bailey Gilbert & Millie Martin.

Mrs Hedaux

Year 7 Rounders

Vs Blake & KAS

The year 7 squad played their 2nd tournament of the term against Robert Blake & King Alfreds.

The girls were a mix of excited chatter and nervous ramblings as we prepared for their first match v Robert Blake but soon settled with Imogen bowling steadily and some fantastic mature running from Zoe and Imogen to set the tone. this led to a clear victory for the girls.

The second game saw a similar steady match against KAS with clever running to collect several 1/2 rounders at 2nd post and to capitalise on miss-fielding. A closer score 61/2 to 6 saw another win. The 3rd game was against Haygrove and uncharacteristically the girls 'went to pieces'.

Their previous steady hitting and scoring dried up completely with several out to the slick Haygrove fielding too.

The girls made changes in the fielding set up knowing Haygrove were hard hitters but this initially unsettled the steady routines they had grown previously. Haygrove romped away to score on each of their first 6/7 bats.

However, the girls showed great resilience and with Dotty Eele fielding with amazing commitment, Ebony and Jess on 2nd made great improvements for the 2nd half of the game . the final score saw th girls act on the advice given reverting to previous fielding set ups.

In the final game BCA were unable to stop the fine hits of Brook, Chelsea and Zoe. and Isobel at backstop saw some great throws to limit the BCA scoring to have the 3rd win.

Well done! Imogen also made some fantastic catches 3 in a row !!

Team Zoe, Jess L, Jess F, Ebonii R, Imogen L,Dotty, Isobel C, Brook, Chelsea H & Amelia C.

Miss Evans

Year 8 Rounders

Vs Blake

We travelled to Robert Blake with the year 8's. (Arriving at the correct venue this week 🤦‍♀️)

The girls were ridiculously loud and excitable on the bus, due to it being their first tournament. Their last game not attended due to our meeting in preparation for our 'visitors' a couple of weeks ago.
We played our first game against Robert Blake. Aysha started the scoring off with a well placed ball for half a rounder, Lara gained 0.5 for a no ball, followed by Chloe 0.5, Ferreria 1 and Millie 1.5, another 3 rounders were donated to us through no balls.
Blake were unable to connect well with our bowling and managed to score a total of 4, including only 1 full rounder.

A great throw from backstop to first stumped one player out and 2 more were out on second.Game two saw the rainclouds appear.

It's not truly rounders season until a tournament has been abandoned due to rain. However, we got on with the game against KAS Emily, Alexi and Imogen all scored 0.5 with Lara scoring 1 and Ferreria scoring 2.5 and another half on no balls. Total 5.5
KAS only managed to scrape together 2.5 before the heavens opened and we were drenched. Rain stopped play before we could complete all of our games. Hopefully we will be able to reschedule the tournament later in the season. Well done.

Squad: Ferreria, Imogen, Emily, April, Millie-Jo, Lara, Aysha, Alexi and Chloe

Miss Evans

Year 8 Rounders

Vs Haygrove & KAS

Despite only having 7 players (9 for a full team) the girls were keen to attend the tournament.

Haygrove were our first opponents and we were fairly slow to get going. April started the scoring on ball 7 with a cracking hit right over the astro fence. Alexi, Aysha and Emily followed with a half each, then Alexi hit a full rounder on ball 13 and 18. Total 4.5.

Haygrove took full advantage of the gaps in our field and went on to score 8. However, Lara surprised herself with a catch and Ferreria made an awesome catch too. Accurate throws from backstop Alexi to April on second got two more Haygrove players out. Haygrove scored 8.

We then played the hosts King Alfreds. Quality hitting, sensible running and taking opportunities enabled us to score 8, April 3.5, Alexi 0.5, Ferreria 2, Aysha 0.5, Lara 1, Emily 0.5.
King Alfreds' batting against us was much improved and they were able to score 7.5.
1st Haygrove, 2nd Chilton, 3rd KAS.

The girls were a credit to the school and showed resilience and determination to succeed despite being 2 players down.

Team: April, Alexi, Ferreria, Aysha, Imogen, Lara and Emily.

Miss Evans

Year 10 Rounders

Vs Haygrove & BCA

We went to Haygrove, arriving first we played the host's A team. Haygrove's bowler, adding spin to the ball prevented any hits for us in the first 7 balls. Ruby then started the scoring with a whole rounder, followed by Nat scoring 0.5, Ophelia 1, Granny Daly 1, Jaymi 0.5, Katie E 0.5 and Ruby another 1.5. Total, a respectable 6.

Haygrove were sporadic with their scoring, but racked up several sneaky half rounders, but also scored several rounders with good quality hits. We made a few fielding mistakes which enabled Haygrove to total 9.5

BCA were our second opponents, Massive Dryland -Ward started our offensive with a rounder on the 5th ball, Katie E scored 2, Nat 0.5, Big Frosty 2, Ophelia 1 and Massive with another 1.5. Total 8.

BCA weren't able to connect with Ophelia's (continually improving) bowling and only scored two half rounders through sensible running.

Haygrove provided two teams tonight, so our final game saw us play their second team. Batting first we scored 7. Nat Smith scored 3 with back hand hits and lightning speed running, Granny 1.5, Massive 1.5, Frosty 0.5 and Ruby 0.5

Ophelia caught out Haygrove's first batter as she whacked the ball straight back at Ophelia. Haygrove connected well with the ball and scored 5 whole rounders. Sensible fielding and accurate throwing ahead of the runner prevented more whole rounders, but Haygrove were able to notch up a few more halfs. Final score 7.5.

Overall, the year 10 girls were second. Again, they represented the school well and were a pleasure to spend the afternoon with.

Team; Ophelia, Bethan, Kaite E, Katy O, Morgan, Paige, Chole M, Natalia S, Granny Daly, Ruby C, Jaymi H, Big Frosty and Massive Dryland -Ward.

Mrs Hedaux

Year 9 Rounders

Tournament

The yr 9 rounders squad took part in a tournament at Robert Blake. The 10 girls were a little nervous before their first game against BCA but soon their nerves calmed as in the first 5 players all scored 1/2 rounders by running cleverly. This theme of steady batting and good running earned them 4 rounders. whilst fielding they took a while to settle into their positions but soon caught out BCA players. However, the stronger hitting of BCA allowed them to run full rounders rather than 1/2s and BCA came out on top 5-3 !/2. the second game against Haygrove the girls bowling/fielding was amazing with Haygrove unable to get past 1st base for most of the innings. The girls themselves had scored another steady 3 rounders and it was only with the last few bowls that Haygrove sneaked a 1/2 rounder advantage for the win 3 1/2-3.

The next game against Robert Blake saw again steady batting and fielding ending in a 4-4 draw. The final game saw The girls hit much better scoring 7 rounders. Their fielding also kept KAS to just 1 rounder securing a 7--1 win. Great bowling from Eliza, good catches at 2nd/3rd from Amber and Cara and sensible fielding allround. rounders from Phoebe, Rosie, Charlie-Ann, Megan , Daisy

Mr Butt

Sports Leadership Festival

County Cricket

I took 16 wonderful Btec Sport Leaders to Somerset County Cricket Club to help deliver a festival of cricket to primary school children. Some students worked on their own and some worked in pairs delivering catching, throwing, bowling and batting drills. It was an absolute pleasure to watch them engage and deliver fun sessions to so many students.

I had some great feedback from SCCC and the primary school teachers. They did themselves and the school proud.

Mr Butt

Boys Cricket

Vs Brymore

Myself and Mr Smith took an U12 and an U13 cricket team to Brymore in the first matches of the season.

U12s Batting first Chilton struggled against the accuracy of the Brymore bowlers. Charlie Barden batted nicely as did Andrew Green.

Regular loss of wickets (resulting in a loss of four runs a time) meant Chilton finished on a well below par 130 from their 12 overs.

Chilton started well with the ball as Ridley Palmer, Barden and Troy Deve bowed tidy overs. However wides we're an issue and meant that Brymore didn't need to attack too many 'good' balls. Barden took a wicket as did Daniel Ladkin, Deve fielded very well and took one good catch and was millimetres away from an absolute worldy running 20 yards and diving whilst sprinting, an exceptional effort!

A good experience and lots to work on for the team before the next fixture.

U13 boys The year 8 boys were excited for their first cricket match of the year, with a couple of players making their school cricket debuts! The players were batting in pairs, with each pair facing 3 overs.

Liam P and Stanley G batted first and scored some comfortable runs from a variation of shots. Their innings ended with a score of 7. Hudson and Kaleb were up next. They played some excellent shots, but some miscommunication between the wickets cost them some penalty runs for being run out. Their innings ended with 2 runs.

David C and Harley W batted third. Both boys batted really well, but some more communication errors cost the pair some penalty runs. Their innings finished with another 2 runs.

Liam P and Liam A were the final pair to bat. Liam P was on a mission to carry his team and scored a handful of runs from strong shots to the outfield. The final pair scored an impressive 12 runs off 18 balls for a final score of 23 runs for 6 wickets.

Brymore's batting started confidently and their first pair scored 10 runs. The pressure was definitely on for Chilton's fielders and the boys were communicating well. The second pair scored a strong 7 runs, but their score was reduced thanks to consistent bowling from Liam P and a great catch from David C. At this pace, Brymore were looking comfortable for the victory, unless Chilton could slow down their run rate over the final 6 overs. Then, up stepped Hudson Y from year 7! Hudson's bowling was superb and he managed to take 2 wickets during the middle over, helping to limit the batting pairs score to 1. Brymore needed 6 runs from the final batting pair to win the match. Impressive bowling from Harley W, Hudson Y and Liam P restricted Brymore's scoring and held the batters to 0 runs. Brymore finished the match with 18 runs from 9 wickets.

An enjoyable first match and the boys can be confident going into their next game. Special praise should go to Hudson for stepping up from year 7 to help the team.

Mr Butt

U15s Girls Cricket

County Cup Cricket

I took 8 U15 girls to play some County Cup cricket. First up the girls played ye olde enemy Haygrove.

Bowling first Chilton did well to restrict Haygrove to 60-4 from their 8 overs. Bethan Hambly, Katie Escott, Chloe Maidment and Jaymi Henderson all took a wicket each.

In reply Bethan showed great understanding of the game and retired on 22. Ophelia finished 11 not out to see it home with Natalya Smith and win comfortably.

Next up were Holyrood 'B' and Chilton wasted no time in bowling them out for 27. There were wickets for Chloe Maidment, Katie Escott and Ophelia Curd. In reply Chilton flew past the target thanks to Holly Daly scoring 22 and retiring and Ruby Clay with a good 8 not out to seal a spot in the final.

Holyrood 'A' awaited the girls in the final and Chilton bowled beautifully to restrict a good Holyrood batting line up. With one over to go Holyrood were on 54, they ended up with 86 to really put them as favourites.

In reply Daly and Hambly departed fairly quickly. Curd batted beautifully to retire on 22. Despite their best efforts that big score was just out of reach as the girls finished on 65 from the 8 overs.

Both teams are through to the county finals on 7th June! Team as per the pic below, they were a joy to be with!

Mr Chadwick

Year 9/10 Cricket

Vs Haygrove

Our team travelled the short distance to Haygrove in what proved to be a tight encounter.

Haygrove batted first and soon lost an early wicket as the impressive M Linthorne bowled the opener. L Parker bowled well without luck as Haygrove made steady progress.

The introduction of C Evans had an immediate reward as he took a wicket bowling the Haygrove batter. Haygrove's opener and number 4 batter looked to take the attack to the Chilton bowling, but J Proctor and A Lane kept control not letting Haygrove get away.

Another breakthrough came when O Jones bowled the number 4 batter.

The Haygrove batter retired on a well made 50 and some wayward bowling and good running between the wickets saw the Haygrove innings finish on 122 for 3 from their allocated overs.

In reply M Linthorne and O Jones got off to a fast start hitting some nice boundaries.

However, M Linthorne (was out to freakish dismissal as his powerful drive inadvertently hit O Jones' bat and flew straight to mid-on without bouncing. C Evans joined O Jones and they put together a superb partnership putting away the bad ball whilst Hyagrove struggled to find their line bowling numerous wides.

The pair took the score to within 30 runs with 4 overs remaining before both C Evans (22) and O Jones (30) fell in the same over. J Proctor and L Parker continued to run well between the wickets and with extras aplenty the score continued to tick over.

With 8 needed off the last over L Parker (8) was run out leaving A Lane needing to hit a boundary off the last ball to win. Unfortunately, he was bowled hitting out as the Chilton score finished on 119 for 5.

The boys deserve great credit for their efforts this evening. Special mention must go to D Cichosz, B Henry-Senewo, L Otieno and V Henry-Senewo who fielded brilliantly.

Player of the match to Olly Jones for a fine all-round display.

Mr Butt

U15s Girls Cricket

County Cricket Finals

I took the U15 girls to Somerset County Cricket Club for the county finals.

First up the girls played Backwell and bowled first. Clearly the girls were a little nervous as plenty of wides were delivered as Backwell struggled to hit the ball to the boundary to the legal deliveries. Bethan Hambly took a great catch running in from the boundary off Jaymi Henderson's bowling. Holly Daly bowled a superb over and Hambly bowled an excellent last over to restrict Backwell to 68-2.

In reply Hambly struck some nice shots before being caught on the boundary and this became a common theme apart from Katie Escott who batted beautifully for 19 before also falling on the boundary. Ruby Clay hit her first ball for 6 but unfortunately the girls fell short by 5 runs.

This mean the girls played a 3rd/4th play off against St Katherines. Again the girls bowled first but bowled much better as Daly took a wicket, and tad a team fielded really well as Backwell finished on 65-5.

In reply Bethan retired on 22 after striking some stunning boundaries. Ophelia Curd and Escott continued to play nicely but some interesting decisions led to the girls falling short by 3 runs in a slightly unfortunate turn of events.

The girls were superb all day and an absolute pleasure to be with.

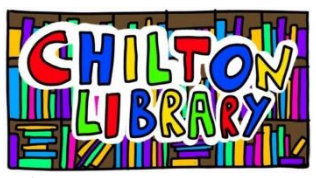
What's on in the Library

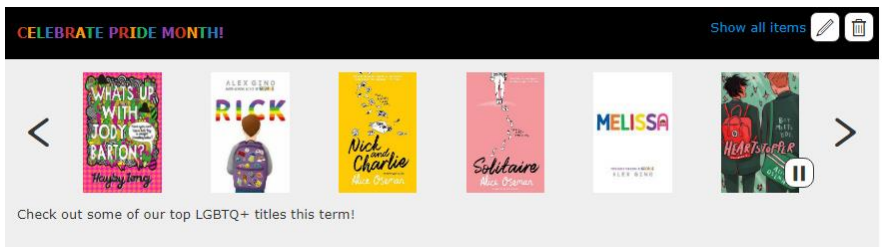
The latest updates for all your literary needs



The library is open from 8:15- 8:55 for school shop, Break time, lunch time and afterschool Mon-Thursday 3:00-4:00 for homework club.

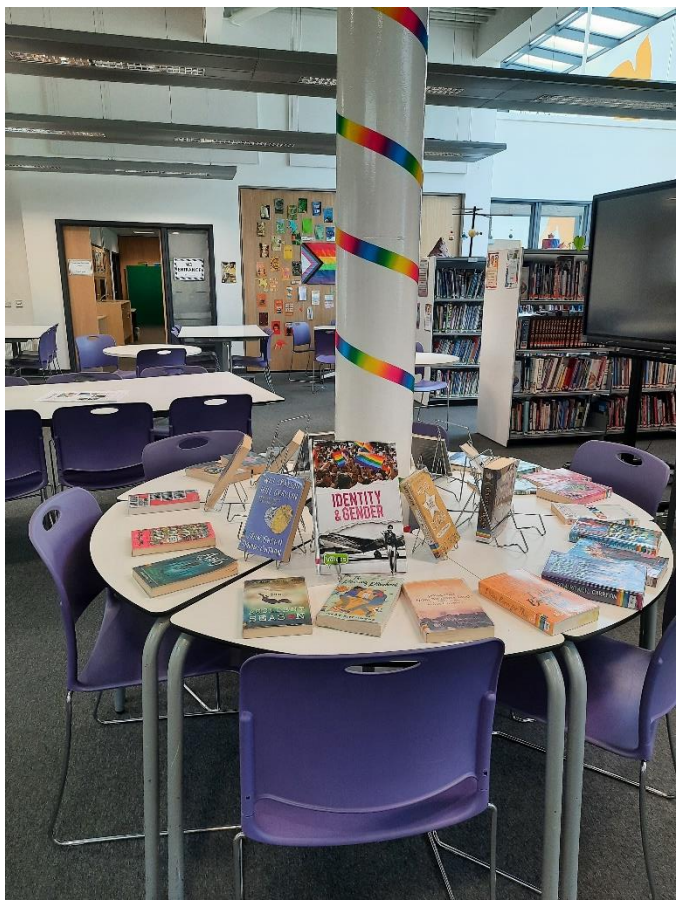
Miss Foster

This month the library will be getting ready to host some of our amazing Pride events. Come along to check out our great titles in our LGBTQ+ range. As usual any recommendations please let me know, I'm always excited to expand our range.



"If you don't do your revision properly, you know what'll happen? YOU SHALL NOT PASS!"

- ACTOR SIR IAN MCKELLEN, CHANNELLING GANDALF FROM TOLKIEN'S "THE LORD OF THE RINGS", SPEAKING TO STUDENTS AT A HIGH SCHOOL IN SOMERSET, ENGLAND



Congratulations as always to our fantastic book reviewers who have received the following awards: -

First award William Brown, Summer Brown & Jacob Milton.

Bronze award Georgina Keleman.

Silver award Lilia Krakowiecka and Megan Wilson.

Amazing work from 7M2 who racked up an amazing 55 reviews! Great work guys keep up the good work for more house points and prizes.

We have so many students so close to getting their next certificates, don't forget to review your books on Oliver.
