28th June 2026

Good Afternoon,

I just wanted to thank all families for the support as we navigated the heat on Friday with students arriving well prepared for the day. With plenty of iced water available, locating to cooler places to learn (the outdoor marquees became very popular classrooms!) and tremendous character from the students we successfully navigated the day, with students once again showing their commitment to being kind and brilliant – even in the heat!

With a slightly disjointed week just gone, it's probably pertinent to send two reminders:

1) INSET 29th June 2026

School will be closed to students tomorrow, as we are hosting staff from all of the Clevedon schools for a Trust-wide conference. It should be a great day for us as we have the opportunity to network with our brilliant primary colleagues.

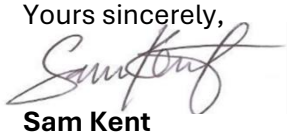

2) Uniform – Tuesday 30th June onwards

As the weather has cooled, we will be **returning to our normal school uniform**, **including ties.** In Terms 5 and 6, students are welcome to wear plain black tailored shorts, or a skirt. Students must wear black socks that cover the ankle if they opt to wear shorts or a skirt. Students are not permitted to wear PE shorts.

We look forward to seeing students back on site on Tuesday. It is a particularly momentous week for us, as we have our end of year / era celebrations with Year 11 and Year 13. We will share photos from the evening in due course!

Wishing you a restful end to your weekend.

Yours sincerely,

Sam Kent
Head of School
