25th June 2026

Dear Clevedon Families,

I hope that you have managed to remain cool whilst managing with this bout of extreme weather.

The weather forecast shows it to be cooler tomorrow, reflecting the MET Office Red Alert ending at 23:59 tonight (the remaining red alert is from the United Kingdom Health and Security Agency (UKHSA) which has a broader remit).

School re-opening – Friday 26th June
On this basis, all Futura Schools (along with many of our neighbouring academy trusts) will be open on Friday 26th June. We are therefore looking forward to seeing students back in school tomorrow and have spent today planning further adjustments and additions to maximise everyone's comfort.

Uniform
For tomorrow, students can wear one of our 3 uniform options:

- Normal school uniform including wearing black trousers, skirt or shorts (trouser/chino material). No tie or blazer required
- As above but with PE uniform shorts/skorts
- School PE kit uniform

We expect all students to return wearing full uniform from Tuesday 30th June (a reminder that Monday 29th June is an INSET day).

Keeping Cool – Reminders
Please remind your child to:

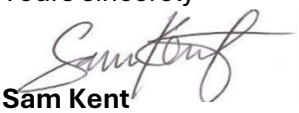

- bring a refillable water bottle to school and use the water fountains
- take advantage of the 'Hydration Station' which serves iced water
- drink more water during than normal
- seek shade or air conditioned rooms at break and lunchtime
- wear sun cream for the day

And Finally…
Thank you for the support in adopting the uniform changes, making sure your child is equipped for the hot weather and gets into school.

Futura Learning Partnership is a charitable company limited by guarantee and registered in England and Wales with company number 07746787. The registered office is at Chandag Road, Keynsham, Bristol. BS31 1PH

Let’s hope the seasonal weather pattern returns as planned and the rest of term, which now looks busier than ever, proceeds uninterrupted.

Yours sincerely

Sam Kent
Head of School
