

Northgate Primary School Reception Knowledge Organiser:

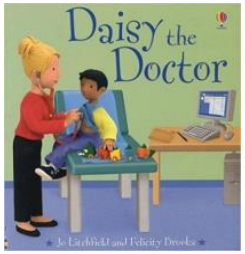

'People who help us'

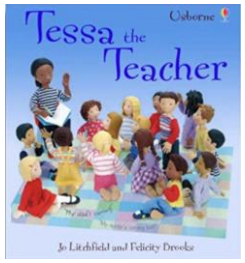

Explore ∞ Discover ∞ Aspire

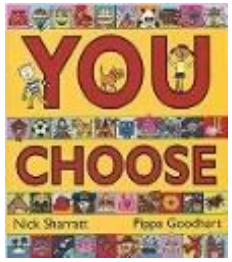

Overview

We will be looking at all the people who help us in our society. We will start with school before looking at teachers, the police, fire officers and doctors as well as other jobs. We will see how they help and what they do to keep us safe, healthy and happy.

Links to other units	The children have already learnt about
All About Me.	Their families and why they are special.
Where we live.	The place where they live and who is in it including jobs they would choose.

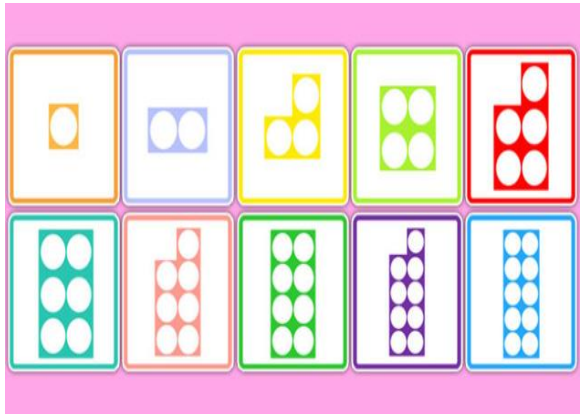

Glossary

- **Job/Profession –** an activity carried out by a person.
- **Doctor/Nurse–** person who is trained to treat people who are ill.
- **Teacher–** person who is trained to teach people new things.
- **Firefighter–** person who is trained to help people in lots of ways including putting out fires and rescuing people/animals that are in danger.
- **Police officer-** a person who is trained to protect people from crime.

In maths, we will start to learn…

- **Counting**
  - Sing simple counting songs and play games
  - Use the Numberblocks (Cbeebies) to help.
- **Recognising numbers**
  - Counting objects
  - Begin to match amounts to numbers using Numicon shapes
- **Shape**
  - Start to look at simple flat (2D) shapes such as circles, triangles, squares and rectangles.
- **Recognising patterns**
  - Start to look at patterns using objects, colours and shapes.

In **Phonics** we will start to look at **'Unlocking letters and sounds'**. The children will look at **Phase 1** and they will play games and listen to songs that involve lots of rhyming. Then we will start **Phase 2** and learn all about letter sounds.

We will look to develop your children's love of reading, by sharing a range of books regularly with your child. To support this, please can you also look at a range of texts such as books, maps, newspapers and leaflets.
