Early Years

Site specific
Woolavington village Primary School adhere to the Department for Education's updated 2026 guidance, which states that all schools should operate as mobile phone-free environments by default, with exceptions only where necessary, our school maintains a strict approach to mobile phone use to ensure a calm, safe and distraction-free learning environment. Permission to Bring a Mobile Phone • Only pupils who walk to and from school independently may bring a mobile phone onto the school site. Procedures • Pupils must switch off their phone before entering the school grounds.

• The phone must be handed directly to the class teacher at the start of the school day.
• Devices will be stored securely in the classroom cupboard for the duration of the school day.
• Phones will be returned to pupils at the end of the school day, once they are dismissed.
• Pupils are expected to keep phones switched off and out of sight until they leave the school site.

Infringements & Consequences

Any breach of this protocol – such as:
• bringing a phone without permission,
• failing to hand it in,
• using it during the school day,

will result in the school applying consequences in accordance with the existing behaviour system.
