Chandag Primary School

Year 3 Term 1

English

In writing we are going to looking at a narrative based on the story Mrs Noah's Pockets. We will be adding a different ending to the book and writing an instructional piece on how to live prosperously in the animals' new land.

Geography

This term in Geography we are going to be learning our local area and also some of the human and physical features about our national parks with a focus on the Brecon Beacons.

Design and Technology

We will start this term by looking at important, contemporary chefs and how they influence the food scene before finding healthy foods and creating our own wrap. We will use our chopping skills and learn all about food hygiene.

PSHE

In PSHE, we are going to look at 'being me in my world'. This centralizes around what it means to be you, how differences are celebrated and what children's visions and ideas are.

PE

PE will be Monday (Inside) and Wednesday (Outside). We will be doing football when outside exploring and mastering basic skills and dance when inside focusing on motif, fluency and performing sequences.

Maths

This term we will be looking at place value for numbers up to 1000. We are going to start by looking at smaller numbers before moving to larger ones. We will also be starting to focus on times tables. Our next unit will be on adding and subtracting numbers up to 1000.

Science

This term in Science we are looking at electricity. We will be looking at what a circuit is and what is needed to complete a circuit. We will also experiment how a current is carried and what makes goo/poor conductors. We will also look at how we use electricity in our everyday lives.

Computing

We are going to be looking at what makes a computer and how computers are all connected.

Religion and World Views

In RE, the children will learn about Christianity by looking into some of the stories the Bible gives us including Peter and Andrew, how Jesus healed the leper and looking closely at the term gospel. We will also look at what it means to be a religious leader within one's community.

Music

In music this term we will be learning about new musical terms and vocabulary, singing traditional folk songs and understanding pitch and notes.
