The sessions on offer are:

By registering your child for any of the sessions you are consenting to them being in school during this time. Please can the registration be completed before Thursday 15 October 2026 so that staff have time to prepare their sessions.

Students who are staying all day will be supervised by a member of staff between sessions. No food will be available to be purchased during the days and therefore packed lunches, drinks and snacks will need to be brought with the students. If they are staying for the afternoon, they will not be permitted to leave the school site.
