October 2026

Dear Parent/Carer,

We hope your child has had a positive start to the new term and is making the most of the many opportunities available to them, both in and beyond the classroom.

We are passionate about ensuring that every student benefits from a rich and varied school experience. Participation in our extra-curricular programme is a fantastic way for students to develop new skills, pursue their interests, build confidence and form new friendships.

To recognise and celebrate students' engagement with the wider life of the school, we have introduced **The Chilton Challenge**. This initiative rewards students for their commitment to extra-curricular activities and encourages them to make the most of the many opportunities available throughout the year.

Details of all extra-curricular clubs and activities can be found on MCAS, and we encourage every student to get involved in as many opportunities as possible. To help us manage attendance effectively and ensure students can be registered correctly, please ensure that your child is signed up for any clubs they wish to attend.

For safeguarding reasons, it is **essential that all club attendance is recorded through MCAS** and that **annual consent is provided for your child to remain on site until 4.00pm**. Consent only needs to be completed once and can be provided by ticking the relevant consent box within MCAS.

You can also monitor your child's attendance at extra-curricular activities through the MCAS website, but not yet through the MCAS app.

We are committed to ensuring that no student is turned away from a club. However, there may occasionally be instances where a student arrives late to an activity and cannot be registered accurately so it is particularly important that students are signed up to clubs in advance through MCAS. Students can also sign themselves up via MCAS independently. Please note that our Reception Manager, Miss McElligott, is unable to leave Reception to verify a student's whereabouts at any club or intervention.

Thank you for your support in helping us provide a safe, enjoyable and enriching experience for all students.

Yours sincerely,

Mrs E Blunsum
Assistant Head
