The Great Fire of London

Explore ∞ Discover ∞ Aspire

WOW!

Great Fire of London artefacts

English

We will be focusing on non-fiction writing in the form of a diary. We will learn about the diary of Samuel Pepys from The Great Fire of London. We will use this to write our own diary entries.

We will also study poetry this term and create our own poems based on The Great Fire of London. We will use our senses to stimulate vocabulary.

Maths

Place Value: We will be developing our addition and subtraction skills for numbers within 20. We will build on our knowledge of number bonds and related subtraction facts within 20.

Geometry (Shape): We will recognise and name a variety of common 2D and 3D shapes. We will use this understand to explore, discuss and compare shapes and find the 2D shapes within a 3D shape. We will investigate tetromino and pentomino arrangements

Science

We will be investigating materials and their properties.

We will conduct some experiments to test the absorbency of different materials and investigate which materials would be best to use when building a rocket ship.

History

In History, we will be learning about the events of The Great Fire of London and what caused the fire to spread so quickly.

We will compare the similarities and differences of London in 1666 and London in 2020. We will also compare firefighters from the time and firefighters from today.

The Arts

In Art this half term, we will be exploring line, shape, colour and texture within printmaking.

We will explore making marks in print with a variety of objects, including natural and man-made objects. We will produce a repeated relief print that is inspired by the natural world.

Computing

In computing, we will be learning about how to stay safe when using technology. We will discuss the different types of technology we have access to and explore how to use it safely.

We will discuss what we like and dislike about technology.

RE

In RE, we will be learning about the religion Christianity. We will be learning about objects and people that are special to Christians.

We will understand why Christmas is a special time for Christians as well as retell the Christian Christmas story.

Jigsaw

We will be looking at the puzzle piece 'Celebrating Differences'. We will be thinking about how we are the same and one another and how we are different.

PE

Dance: We will also begin to develop our creative movements through dance.

In Real PE this term we will be covering the 'social' cog and developing our static and dynamic balances.
