Digital media (Computing-LKS2)

What I learnt in year 1 and 2

1. I know an image I look at might have been edited.
2. I know that cameras, phones, iPads, street cameras can all take a photograph.
3. I know that a landscape picture is taken sideways and a portrait picture is taken upright

A-original
B-green filter
C-black and white
D-mosaic

flash

Upright = portrait

Sideways = landscape
