9 October 2026

Dear Parents and Carers,

KS4 Pathway Evening: Thursday 10 December 2026: 4.30pm to 6.30pm

We are pleased to inform you that your child will shortly begin to choose a study pathway for Years 10 and 11 which will begin in September 2027. To help with this process, we would like to invite you to the above event which will run from 4.30pm until 6.30pm.

During the evening there will be two identical presentations starting at either 5.00pm or 6.00pm. Both presentations with be held in the Main Hall and will detail the overall Pathways process including the KS4 study program. Before or following each presentation there will be an opportunity to visit subject stalls that will provide further support and subject information.

To further support an informed decision-making process:

- A Pathways Assembly for Year 9 students will be held on Friday 4 December 2026 to formally outline the study pathway and begin the process of selecting preferred subjects.
- During the KS4 Pathways Evening on Thursday 10 December, all Parents and Carers will receive an email that will take you directly to our Pathways electronic booklet giving details of all courses and our Pathways process.
- Subject Presentations will be held between Monday 11 January to Friday 5 February 2027. During this 4-week programme, all students will be informed about the core subjects they must study along with bespoke information about the subjects they can choose to take. Your child's curriculum teachers along with their HOH (Head of House), PSO (Pastoral Support Officer) or tutor will answer any questions they may have in relation to the process and/or subjects.

The Pathways process concludes with the Year 9 Parent and Carer Evening on Thursday 4 February 2027. During this time, you will receive an email to complete your child's Pathways choices. All Pathway choices must be submitted by Thursday 11 February 2027. All communication will be sent via the My Child at School (MCAS) app.

We know that parents and carers are very ambitious for their children's future. The courses we offer lead to post-16 study and an excellent range of courses for students wishing to study at A-Level/Level 3 standard as well as Level 2 options. Our suite of courses provides an excellent route into Higher Education or the workplace including Apprenticeships and we look forward to explaining this more fully when we meet you on Thursday 10 December 2026.

Please follow the link below and confirm your attendance along with which presentation you will be attending.

GCSE Pathways September 2027. Thursday 10th December 2026. – Fill out form

Yours sincerely,

Mr R Payne
Deputy Headteacher
